Dear lutfumertceylan@gmail.com (Mert)

Thank you for bringing the following vulnerabilities to our attention:

POC: Sensitive Data Disclosure due to Misconfiguration

We appreciate you taking the time, and effort, to inform us responsibly and ethically regarding these security issues. The relevant parties have been informed. Note that any mitigation will be actioned at a suitable time for us, we do not require any further notifications on this.

We wish you all the best with your future endeavours.

Yours sincerely

Dave Berry
