

November 29, 2021.

UM-SOC, The Maastricht University Security Operations Centre, wishes to thank Lütfü Mert Ceylan for reporting a vulnerability on one of the webserver of Maastricht University.

In a responsible and detailed fashion the vulnerability on the webserver was described and demonstrated, and because of this report Maastricht University has taken measures to prevent abuse of the vulnerability.

Regards,

Jules Silvertand,

IT Security Analyst,

UM-SOC
